YOUNG SCIENTISTS COUNCIL OF
VITEBSK STATE TECHNOLOGICAL UNIVERSITY

International Scientific and Practical
Symposium

**«ADVANCED TECHNOLOGIES
AND EQUIPMENT:
TEXTILES, CLOTHES, SHOES»**

**October, 2020
Vitebsk**

Based on the results of the symposium, it is planned to publish a collection of symposium materials. The best reports will be given the opportunity to publish an article in the scientific journals («Vestnik of Vitebsk State Technological University» <http://vestnik.vstu.by> and «Materials and Technologies» <https://mat-tech.vstu.by>).

★ The organizing committee reserves the right not to include in the collection the articles which are out of the thematic field of the symposium and drawn up not in accordance with the requirements below.

★ Each author can submit **no more than two reports**, including co-authorship.

★ In case of rejection of reports due to non-compliance with the symposium profile, violation of deadlines or requirements for registration, the manuscripts are not published and returned.

★ The sending of materials in electronic form at registration does not exclude the need to provide originals of documents **with author's signatures** to the organizing committee of the symposium.

The symposium proceedings materials will be registered in the scientific database RSCI

REQUIREMENTS TO THE PREPARATION OF MATERIALS

To participate in the symposium, you need to register a report up to **September 15, 2020**, on the web-site <http://conference.vstu.by/>, attaching a file with a report in .doc format (the name of the file to be attached is the author's (authors') name). In case of collective authorship, the report is registered only once by any of the authors.

Materials submitted in Russian, Belarusian or English, must meet the following requirements:

- Reports are submitted in electronic and in hard copy (210 x 297 mm).
- The volume of the text, together with formulas, tables and drawings - **up to 3 full pages**.
- Line spacing is single.
- Font - Times New Roman, font size - 12 pt.
- Fields - 2,5 cm on all sides of the sheet.
- The indent at the beginning of the paragraph is 1.25 cm.
- References see https://vstu.by/ftpgetfile/publishing/pio_10jan.pdf.
