

FIRST INFORMATION LETTER

MINISTRY OF EDUCATION OF THE REPUBLIC OF BELARUS

VITEBSK STATE TECHNOLOGICAL UNIVERSITY

Invites to participate in
VII International Scientific and Practical Conference
«**EDUCATION AND SCIENCE IN THE 21st CENTURY**»,

which will take place in *October, 2022*

Main areas of the conference:

- *Technology and production of threads, fabrics, jersey and nonwoven fabrics*
- *Design and production of clothes and footwear*
- *Equipment of the light and textile industry: design and operation*
- *Chemistry, chemical technology and environmental problems in production*
- *Economy and management*
- *Standardization, commodity and examination of the goods of textile and light industry*
- *Socio-humanistic problems of modern society development*

To participate in the conference, it is necessary to go through online registration and attach the article (file in .doc format, file name – author’s surname, city) up to **September 20, 2022** on the website: <https://conference.vstu.by/education-and-science-21st-century/>. Paper version of the report and the application form signed by the authors should be sent by postal address: EE "VSTU", Moscovsky av., 72, 210038 Vitebsk, Republic of Belarus (УО «ВГТУ», Московский пр-т, 72, Витебск 210038), labeled "Education and Science 2022".

The requirement to reports

The article should meet the criteria for scientific publications. The article should contain information about authors, key words, abstract, the main text, bibliography.

Reports shall be submitted on electronic media and printed on standard A4 paper (210 x 297 mm). Volume - up to **3 full pages**. Font - Times New Roman, 12 pt. Line spacing - single. Margins – 2.5 cm on all sheet sides. Paragraph - 5 characters.

The organizing Committee reserves the right not to include into the collected materials the articles which are not on the profile of the conference and not meet the abovementioned requirements. Each author may submit no more than two reports. Rejecting reports due to the mismatch between the profile of the conference, violation of the terms or requirements are not published and will not be returned. Sending of materials in electronic form does not preclude the necessity of providing the organizing Committee of the conference with original documents and signatures.

Peer-reviewed article will be posted in RSCI Database.

Conference languages: **English**.

Conference format will be specified later.

The publication of the collected materials is planned after the conference.
